Fixed-Bail Telescoping Coil Grab

If there was a Caldwell Lifting Solutions Hall of Fame, the Model 85 Coil Lifter could claim "Legend" status. The rugged and efficient stock units sold here are ready to handle up to 33 tons, but that's just the beginning. The Model 85 is also one of our most customized lifters. Higher capacities, rotation, load scales, indicator lights, padding, toe rollers, and more are available. See the following pages for details.
