

Model 91

Standard Adjustable Forks Pallet Lifter

Adjust fork spread with a pry bar to move multiple pallet sizes off your dock, around your manufacturing floor or across your warehouse.

Product Features:

- Converts overhead crane into lift truck
- Pry bar adjustable forks to handle multiple pallet sizes
- Counterbalanced to hang level when empty
- Complies with ASME standards

Model 96

Heavy-Duty Adjustable Forks Pallet Lifter

This heavy-duty version of Caldwell's Model 91 handles higher capacity loads with double-frame construction. Choose for your heaviest and toughest jobs.

Product Features:

- Forged forks gives ease of adjustment
- Smaller fork sizes gained using forged forks
- Double frame design for heavy capacities
- Complies with ASME standards
