

Model GC

Girder Clamps

In-Stock

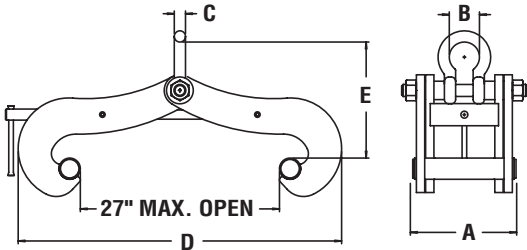

Choose from three lifting capacities: 15, 20, or 25 tons. For vertical lifting only.

Product Features:

- These clamps provide an efficient method for handling wide flange beam sections and plate girders
- Screw-spindle design ensures positive grip
- Simple design ensures minimum maintenance
- Left-hand thread and right-hand thread screw spindle allows for rapid clamping and unclamping
- Jaw opening adjusts to a wide range of beam types and flange widths
- Use only for vertical lifting
- Complies with ASME standards

MODEL GC
